

Instructions for wear checks of play equipment

Playground:

Date of installation:

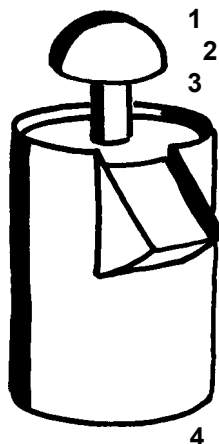

Checks depend on the kind of equipment. Any equipment with moving parts must be checked at least twice a year, static equipment at least once a year.

Intervals for maintenance work and checks generally depend on:

- location
- kind of use
- frequency of use
- possible vandalism

For more details see also "General instructions for maintenance of playgrounds"

Mushroom Pump
Order no. 5.18000

Attention!

Before frost sets in disconnect from the water mains and remove the Mushroom Pump.

The equipment must be checked for correct operation and safety, especially the points listed below:

Proof of maintenance

Function

1 Check the mechanism of the Pump for smooth motion

2 Check the water hose pipes for wear, renew if necessary (loosen screws of the cover and take off the complete mechanism of the Pump)

3 Check the filter of the pressure reduction valve, clean if dirty

Structural stability

4 Check the anchoring to the ground once a year, tighten the screws if necessary

1. 2. 3.
etc.

Special notes (e. g. for repairs):
