Instructions for wear checks of play equipment

Playground: .....

Date of assembly: .....

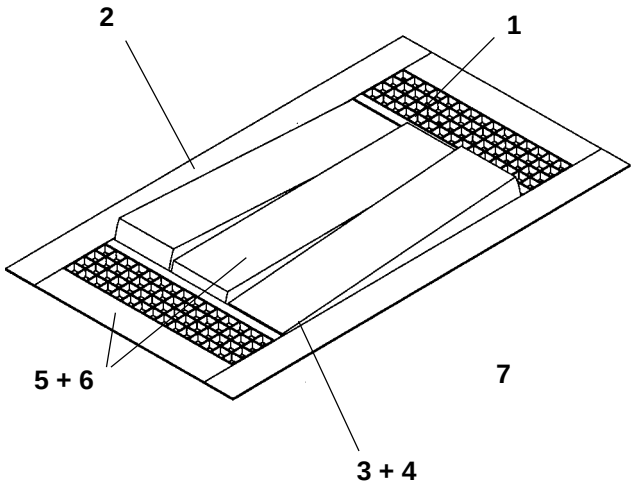
Checks depend on kind of equipment. Any equipment with moving parts must be checked at least twice a year, static equipment at least once a year.

Intervals for maintenance work and checks generally depend on:

- location
- kind of use
- frequency of use
- possible vandalism

For more details see also "General instructions for maintenance of playgrounds"

Wind Pipes
Order no. 9.02400



The equipment must be checked for correct operation and safety, especially the points listed below:		Proof of maintenance 1.	2.	3. etc.
