

# Instructions for wear checks of play equipment

**Playground:** .....

**Date of installation:** .....

Checks depend on the kind of equipment. Any equipment with moving parts must be checked at least twice a year, static equipment at least once a year.

Intervals for maintenance work and checks generally depend on:

- location
- kind of use
- frequency of use
- possible vandalism

**For more details see also "General instructions for maintenance of playgrounds"**

## Parabolic Reflectors Order no. 9.05000

**The equipment must be checked for correct operation and safety, especially the points listed below:**

Proof of maintenance

### Concrete

**1** Check the equipment for damages due to vandalism (chipped edges of the concrete), if necessary smooth over with an angle grinder or else repair using fast setting cement or epoxy resin

### Structural stability

**2** Dig out the foundations once a year and check for stability

Special notes (e. g. for repairs): .....

Special notes (e. g. for repairs): .....

Special notes (e. g. for repairs): .....

**Repair not carried out, it is still possible to play on the equipment**

**Repair not carried out, equipment is taken out of action**

**All work carried out, everything is in order**

**Maintenance carried out by** .....

**Date** .....
