

**Play value**

The Small Tractor is a smaller version of our Tractor. Its appealing appearance makes it very attractive to small children. It is very suitable for simple exercise movements and role-play games.

**Fundamental characteristics**

- Child-oriented dimensions
- An emotionally appealing design due to the chunky shape
- Natural wooden surface which appeals to the senses
- Incentive for playing: rotating steering wheel, seat
- Movement: climbing up, touch it all the way along
- Experience: wood in its natural form with year rings, branches, cracks etc.

**Recommended for**

- Children under 3 years
- Kindergarten children
- Supervised play areas, such as kindergartens, schools, after-school programmes or similar
- Public play areas without supervision, such as playgrounds, parks or similar

 2 items 30 x 30 x 30 cm  
 Excavation depth 50 cm

**Attention:**  
**Exact measurements may vary;**  
**for all installation dimensions refer to current assembly instructions.**  
 Technical changes reserved.

**Technical information**

Equipment made of non-impregnated mountain larch

**Peeled white**

Palisades peeled white means that bark, cambium and sapwood are removed, the natural shape of the trunk is preserved and can be experienced

**Ground anchor**

All parts used for anchoring to the ground are made of hot-dip galvanised steel or stainless steel

**Relief cut**

Targeted relief cut as an effective measure against cracks caused by drying. The cut defines the position of the stress equalization in the trunk and minimises natural cracking

**For more detailed explanation of the quality characteristics see price list.**
